Man About Town

STYLE

Gentlemen, it's time to invest in a nice blazer. Tuck in that shirt, ready to hit the town. We want you to look and feel good. You don't need to wear a tie, and a pair of jeans is OK. We do love a white shirt. You'll look classy in or out of those. The velvet is the icing on the cake here. Sure, it might be a step forward for you, but look at it this way: a masculine look that's soft enough that you want to sneak a kiss and then... See, it can be fun. Check out our picks for a night on Page 28.
