BOHEMIAN CHIC

This season, we're seeing the foxy, laid-back look popular in the '70s through a sexy new psychedelic. Designers have pumped up colors and prints, been generous with hats and accessories, and put skin on display. We call it *bohemian chic gone wild*.

SULTRY BOHO

Embrace a distinctly boho
makeup palette for every-
day looks. Think neutral colors,
browns and caramels.
Laura Mercier Sequin
Eye Colour, \$22.
